

# ZUMBA™ Easy-Fill cylinder™

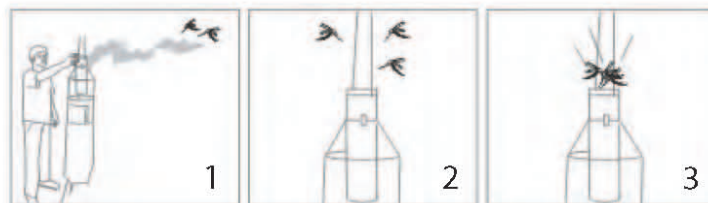

## Advantages of Zumba Easy-Fill Cylinder

- Easy and convenient to fill at any paintball refilling station
- Provides 150 hours of continuous CO<sub>2</sub> emission
- Multiple uses
  - Universal attractant for mosquitoes
  - Source of pressurized CO<sub>2</sub> for delivery systems
- Clean source of CO<sub>2</sub>
  - Does not use CO<sub>2</sub> derived from flammable propane
- Gas regulator shut-off valve provides easy on/off operation
- Regulator gauges allow for convenient monitoring and adjustable output

Carbon dioxide (CO<sub>2</sub>) improves the efficiency of the Zumba Mosquito Trap substantially.

R&D of Zumba products is funded in part by:

## Other Zumba Products

### • Zumba Mosquito Trap

The Zumba Mosquito Trap is designed to optimize scent and visual stimuli to attract mosquitoes to the trap. CO<sub>2</sub> is used for long distance attraction and SkinLure increases effectiveness at closer ranges.

### • Zumba SkinLure

Our proven SkinLure technology mimics the scent of a human and preferentially attracts mosquitoes seeking human blood meals.

### • ISCA Trigger (Electronic Pulsing Devices)

Programmable electronic CO<sub>2</sub> conservation device that allows user to schedule window of activity (days of the week, time of day), amount of CO released from cylinders and conserves CO with programmable pulsing.

## Why use Zumba's Easy-Fill Cylinder instead of dry ice?

- Provides 150 hours of continuous CO<sub>2</sub> flow!
- When used with the ISCA Trigger, programmed for 5 hours per day, provides 30 days of CO<sub>2</sub> emission!
- Minimal waste  
Unlike dry ice, the Zumba Easy-Fill Cylinder provides user with convenient way to access and use CO<sub>2</sub> as needed.
- Adaptable to many accessories  
Unlike using dry ice to bait traps, the Zumba Easy-Fill cylinder can be used with a variety of accessories.

#### Product Specifications:

EPA establishment number : 80286-CA-003  
Made in USA  
Carbon dioxide not included with cylinder

#### Order Placement, Packaging, Payment and Delivery Information

- Normal sales tax applies for sales within California.
- Prices are FOB Riverside, California, shipping fees apply. Delivery cost will be shown in invoice or you may request an estimate. Order is delivered within 14 days after receipt of payment. Please inform us of any special request for delivery, extra charges may apply e.g. for rush deliveries.
